

Plain Laminating Pouches / Pochettes pour lamination

Opti Clear - Square Corners

Clear as glass and sticks like super glue. User-friendly film works great on all color copier toner, glossy and heavy ink lay-down paper. Precision top bar construction prevents wrinkles and always gives perfect edge seal. Utilizes a premium co-polymer adhesive that won't cloud, fog, yellow, crack, or fade.

Opti Clear with UVI

Performs exceptionally well for any announcement that will see outdoor use. Special UVA and UVB inhibitors protect against severe conditions allowing colors and inks to retain their original vibrancy.

DigiSeal with UVI

Specially formulated for HP, Apple, Xerox, Kodak, Minolta, Sharp, and IRIS graphic color output. Adheres at a lower temperature (185°) which keeps the moisture in the inks and paper from vaporizing - hence a crisp, clean overcoat of plastic to protect your graphics without bubbles, blisters, and complete edge seal even on inexpensive pouch laminators.

Adhesive Pouches / Pochettes adhésives

Pressure Sensitive Opti Clear

Create an instant sign or decal with pressure sensitive pouches. A self stick adhesive layer has been added to the back side of an Opti Clear pouch. Simply peel the protective layer off the pouch after your document has been laminated and it's ready to place.
