

Visu Slat Self-Stand Signs

For desk, counter, table, etc... Choose from complete and ready to use kits (right) or choose your own elements, in which case you will need:

- 1- one Face Plate (p.2)
- 2- one pair of end caps (p.3) optional
- 3- two or three Stand Clips (cat.#255DS)

Self Standing Sign Kits

Desk or counter signs, consist of a face plate and stand clips. The stand clip snap-fits onto the back bottom of the faceplate.

NOTE: 2 stand clips are needed for Face Plates up to 18". 3 stand clips should be used for longer plates.

Visu-Slat System B: Double Faced Slats - Modular Interior Signage

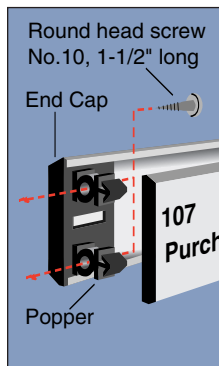

ASSEMBLY: Double Faced Signs

- 1- Fix Visu-Slat End Caps to 2 Face Plates
- 2- Insert Visu-Slat Poppers into End Cap slots
- 3- Join the 2 Face Plates together

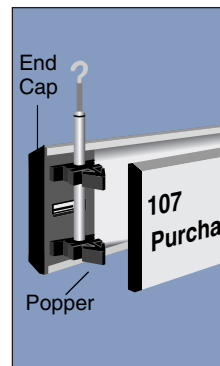

Double Faced Right Angle Projection Signs

To project double faced Visu-Slats remove 1 set of Visu-Slat Caps & screw them to background surface through holes in Visu-Slat Poppers then snap on Visu-Slat Face Plate. This will firmly project Visu-Slats up to 20" long.

Double Faced Ceiling Suspension Signs

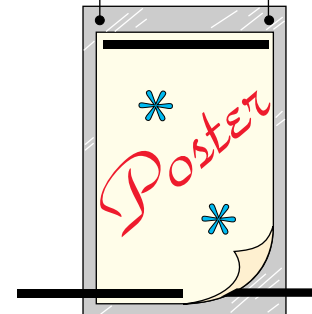

To suspend double faced Visu-Slats rotate poppers in their slots until holes are facing downward. Thread black plastic coated suspension wires and spacers (if more than 1 sign) through holes.

Suspension Wire 20SSW Black coated with top hooks...\$1.65 /ft

Visu Slat Poppers
Poppers join 2 Face Plates back to back by attaching to Visu-slat end Caps (see p.3)
